

**§ 108.14 Transportation of Federal Air Marshals.**

(a) Each certificate holder shall carry Federal Air Marshals, in the number and manner specified by the Administrator, on each scheduled and public charter passenger operation designated by the Administrator.

(b) Each Federal Air Marshal shall be carried on a first priority basis and without charge while on official duty, including repositioning flights.

(c) Each certificate holder shall assign the specific seat requested by a Federal Air Marshal who is on official duty.

[Doc. No. 24714, 50 FR 27925, July 8, 1985]

**§ 108.15 Law enforcement officers.**

(a) At airports within the United States not governed by part 107 of this chapter, each certificate holder engaging in scheduled passenger or public charter passenger operations shall—

(1) If security screening is required for a public charter operation by § 108.5(a), or for a scheduled passenger operation by § 108.5(b) provide for law enforcement officers meeting the qualifications and standards, and in the number and manner specified, in part 107; and

(2) When using airplanes with a passenger seating configuration of 31 through 60 seats in a public charter operation for which screening is not required, arrange for law enforcement officers meeting the qualifications and standards specified in part 107 to be available to respond to an incident, and provide to its employees, including crewmembers, as appropriate, current information with respect to procedures for obtaining law enforcement assistance at that airport.

(b) At airports governed by part 107 of this chapter, each certificate holder engaging in scheduled or public charter passenger operations, when using airplanes with a passenger seating configuration of 31 through 60 seats for which screening is not required, shall arrange for law enforcement officers meeting the qualifications and standards specified in part 107 to be available to respond to an incident and provide its employees, including crewmembers, as appropriate, current infor-

mation with respect to procedures for obtaining this law enforcement assistance at that airport.

**§ 108.17 Use of X-ray systems.**

(a) No certificate holder may use an X-ray system within the United States to inspect carry-on or checked articles unless specifically authorized under a security program required by § 108.5 of this part or use such a system contrary to its approved security program. The Administrator authorizes certificate holders to use X-ray systems for inspecting carry-on or checked articles under an approved security program if the certificate holder shows that—

(1) For a system manufactured before April 25, 1974, it meets either the guidelines issued by the Food and Drug Administration (FDA), Department of Health, Education, and Welfare (HEW) and published in the FEDERAL REGISTER (38 FR 21442, August 8, 1973); or the performance standards for cabinet X-ray systems designed primarily for the inspection of carry-on baggage issued by the FDA and published in 21 CFR 1020.40 (39 FR 12985, April 10, 1974);

(2) For a system manufactured after April 24, 1974, it meets the standards for cabinet X-ray systems designed primarily for the inspection of carry-on baggage issued by the FDA and published in 21 CFR 1020.40 (39 FR 12985, April 10, 1974);

(3) A program for initial and recurrent training of operators of the system is established, which includes training in radiation safety, the efficient use of X-ray systems, and the identification of weapons and other dangerous articles;

(4) Procedures are established to ensure that each operator of the system is provided with an individual personnel dosimeter (such as a film badge or thermoluminescent dosimeter). Each dosimeter used shall be evaluated at the end of each calendar month, and records of operator duty time and the results of dosimeter evaluations shall be maintained by the certificate holder; and

(5) The system meets the imaging requirements set forth in an approved Air Carrier Security Program using the
